Requirement for the Evidences

What kind of image needs to be uploaded as evidence on the portal?

Ans. - The image should be clear evidence of **the infrastructure or services available at the Procurement Center**. Please ensure that the photo accurately represents the facility you are providing as evidence.

What are the requirements for the image to be uploaded as evidence?

Ans. - While capturing and uploading the image, please follow these guidelines:

Hold your camera or mobile device steady and take a clear picture.

Ensure the object in the picture is focused and clearly visible.

Avoid shaking the device while taking the picture.

Make sure there is proper lighting.

The image must be in **JPG or JPEG format** (most cameras and mobile devices automatically capture in this format).
